

Appendix 1:

These are some notes of the articles and journals that I read on effective formative assessment to assess the students during phonic lesson.

Article/ website title: 5 Great formative assessment strategies that never miss.
Formative assessment (2017). 5 Great formative assessment strategies that never miss. Retrieved from https://www.wabisabilearning.com/blog/5-great-formative-assessment-strategies . (17/02/2019)
Notes: <ul style="list-style-type: none">• Analysis of student work.• Asking questions.• Think-pair-share.• Exit/admit tickets.• One-minute papers.

Article/ website title: 27 Easy formative assessment strategies for gathering evidence of student learning.
Dyer,K. (2019). 27 Easy formative assessment strategies for gathering evidence of student learning. Retrieved from https://www.nwea.org/blog/2019/27-easy-formative-assessment-strategies-for-gathering-evidence-of-student-learning/ . (17/02/2019)
Notes: <ul style="list-style-type: none">• Yes/no chart.• Three questions.• Self-Directed response.• The Exit tickets.• The whiteboard.• 30-second share.• 3-2-1.
